Date: 10.11.2017

Sub: Poster for Seminar on Higher Education and Research in Japan

Dear Sir/Madam,

Please find attached a poster containing brief information on Higher Education and Research in Japan. Officials from The University of Tokyo and The Embassy of Japan will be present to discuss Scholarship and Internship opportunities in Japanese Universities.

It will be kind of you to arrange display of the poster prominently at your Halls for the information of interested students.

Thanks and regards,

Subhram Roy
